

**Designers
Against
Occupation**

Join the Pledge:

designers-against.org

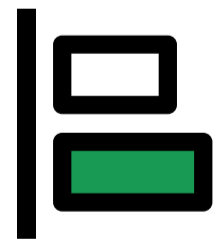

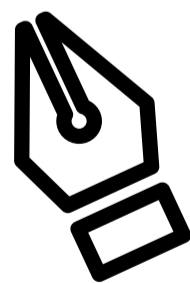

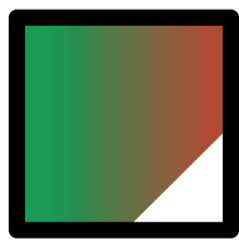

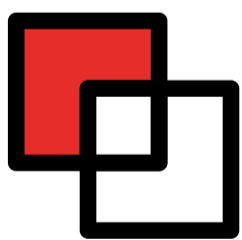

Calling all
designers to **unite**
in solidarity with
the Palestinian
people.

designers-against.org

**israel uses
comic sans**

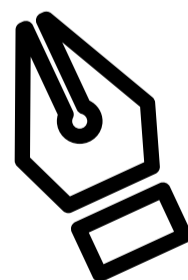

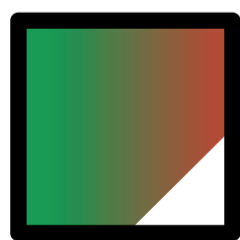

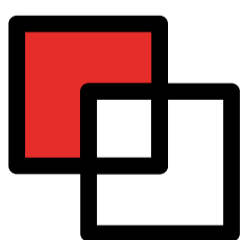

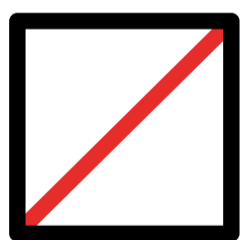

'cos it's a joke

designers-against.org

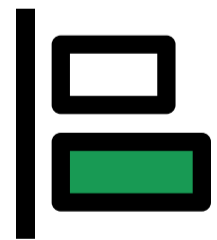

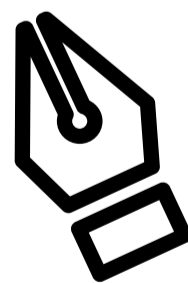

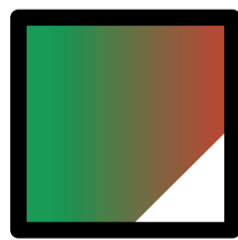

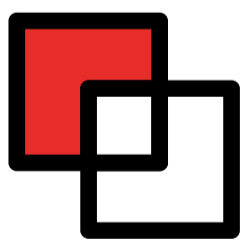

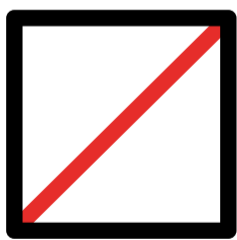

**Oh you think AI
is taking my job?**

**dw I've seen the
content it makes
for israel 🤔**

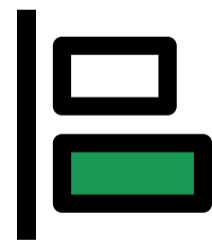

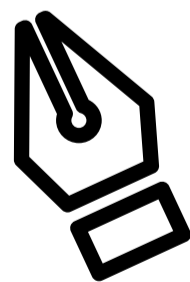

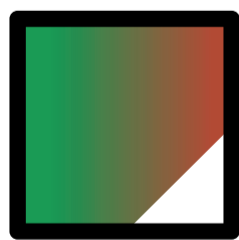

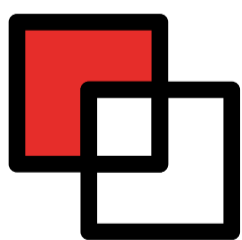

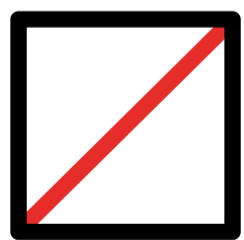

designers-against.org

**I hope they use
comic sans on
netanyahu's
grave stone.**

designers-against.org

**israel is like that
client that wants
to make the logo
bigger but it's
actually land
theft.**

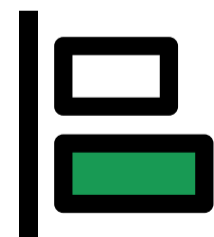

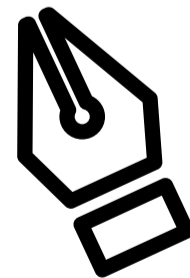

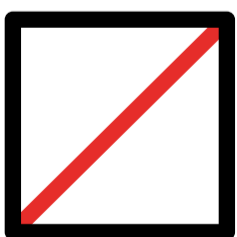

designers-against.org

**Clients that profit
from and
contribute to the
genocide of
Palestinians**

**Clients that
support a Free
Palestine**

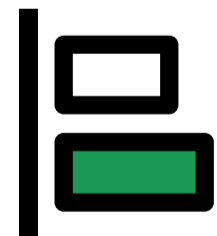

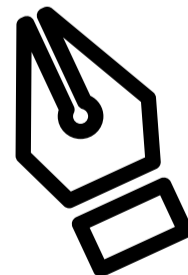

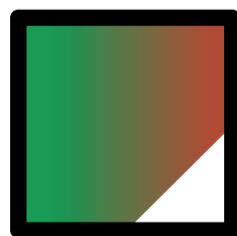

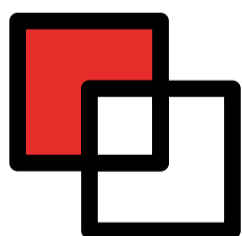

designers-against.org

**Smiley faces,
barbed wire, and
flowers in my
designs**

**Palestinian flag
colours,
keffiyehs, and
watermelons
everywhere**
